Anyhow Sheriff Simmons said he would not take a girl away from her mother on any such an arrangement as this. Grace said she would not go, but her mother said: "Go, if fthe sheriff wants to take you and I will be close behind and see about it." t Some of the officers at the court house

hink there is a scheme in this dispatch and that Sheriff Simmons was too smart to bite at it. They figured out that there is going to be a scrap over the child and that Conway had worked this scheme to get hold of her.

They called attention to the fact that he had, according to the dispatch, deayed his departure for Wichita until this morning and that would enable him to get here on Sunday and if Sheriff immons would turn her over to him, conway could have gotten out on Sun day when Mrs. Jordan could not get I my process from the courts. Sheriff Simmons, however, could not be used

Some of the Houston officers will probably arrive here today, when there may some more revelations in regard to the case.
